

True Health Laboratory Testing Informed Consent

The purpose of True Health Laboratory testing in our office is to evaluate nutritional, biochemical, or physiological imbalance and to determine any need for medical referral. This office utilizes conventional lab tests as well as functional medicine assessment.

Any lab work processed by True Health cannot be submitted to Medicare for reimbursement. Any claims that are submitted to Medicare will be billed from our office (Calmglow) to the patient. It is the patients responsibility to pay the invoice.

I have read and understand the above:
